

REPORT OF THE SALARIES AND ALLOWANCES TRIBUNAL

REMUNERATION OF JUDGES, DISTRICT COURT JUDGES, MASTERS OF THE SUPREME COURT, MAGISTRATES AND THE PARLIAMENTARY INSPECTOR OF THE CORRUPTION AND CRIME COMMISSION

1. Section 7 of the *Salaries and Allowances Act 1975* ('the Act') requires the Salaries and Allowances Tribunal ('the Tribunal'), at intervals of not more than twelve months, to inquire into and report to the responsible Minister in relation to possible changes in the remuneration paid or provided to Judges, District Court Judges, Masters of the Supreme Court, Magistrates and the Parliamentary Inspector of the Corruption and Crime Commission. The Act provides that if the Tribunal reports that alterations are desirable, it shall recommend the nature and extent of the alterations to be made.
2. The last report was issued by the Tribunal on 23 June 2015.
3. In exercising its statutory responsibilities, the Tribunal applies broad principles upon which levels of remuneration are determined for all categories of offices and positions coming within the scope of the Act. These principles, particularised to the judiciary, have been applied by the Tribunal to assess remuneration and entitlements. These principles are:
 - the value of the judicial offices to the State and our democratic system of government;
 - measures of the "work value" of judicial offices; and
 - the level of remuneration of judicial offices within the context of wage and salary rates applying generally in the community.
4. It is the Tribunal's view that in reviewing levels of remuneration for public offices within its jurisdiction, it is important to have regard for issues relevant to the community in this State.
5. While interstate comparisons are useful, they are not the primary focus upon which an inquiry should be determined.
6. The Tribunal acknowledges that there are a number of serious economic challenges facing Western Australia, most recently expressed in the 2016 State Budget. In its 2015 report, the Tribunal responded to the challenges at that time by recommending no increase to the remuneration of judicial officers.
7. On balance, and while these economic challenges remain, the Tribunal has decided that an economic adjustment is warranted for judicial officers at this time. The Tribunal has

therefore recommended a 1.8 per cent increase for remuneration provided to judicial officers in this report.

RECOMMENDATION

8. The Tribunal recommends a 1.8 per cent adjustment to the remuneration paid or provided to Judges, District Court Judges, Masters of the Supreme Court, Magistrates and the Parliamentary Inspector of the Corruption and Crime Commission.
9. No other change to the remuneration or allowances of judicial officers is recommended.

TABLING OF REPORT

10. Under the provisions of the Act, this report must be tabled in each House of Parliament within five sitting days the Minister has received it. Either House of Parliament, within 15 sitting days of the report being tabled in that House, may pass a resolution disapproving the Tribunal's recommendation.

The report will now issue.

PART 3: MOTOR VEHICLES

- 3.1 The following arrangements apply or continue to apply, as the case may be, to each Judge, Master and full-time Magistrate for the provision of a fully maintained motor vehicle for business and private use.
- 3.2 All vehicles (being part of the Government-owned State Fleet) should be managed in accordance with the policies and conditions established and amended from time to time by the Department of Finance (the effective owner of the State Fleet). Applicable terms and conditions are currently set out in the document "State Fleet - Agency General Agreement".
- 3.3 Selection of appropriate vehicles should be subject to consultation between the Department of the Attorney General (as the department supporting the Courts administratively and therefore the "Agency" responsible for managing the leasing arrangements for vehicles provided to Judges, Masters and Magistrates) and the relevant Court. Although the cost of the vehicles is centrally funded, as a consequence of it being a benefit recommended under the *Salaries and Allowances Act 1975*, the area remains an administrative responsibility of the Department to manage in a cost effective manner.

3.4 In providing for the use of a motor vehicle under this arrangement, the Tribunal requires that office holders and the Department of the Attorney General will take account of the following principles established by the Tribunal. The provision of a motor vehicle should:

- a. meet the operational conveyance needs of the judiciary;
- b. provide for adequate safety and security of judicial office holders;
- c. be representative of fair value and benefit;
- d. be supportive of the efficient, effective and ethical use of State resources;
- e. be consistent with current principles of environmental sustainability, in particular, fuel efficiency and Government emissions targets;
- f. be commensurate with the status of judicial offices; and
- g. where private use of a vehicle is permitted, provide scope for personal preference in choice of motor vehicle consistent with the above principles

3.5 For the purposes of determining the value of the motor vehicle lease relative to the value of the relevant benefit set out in this determination, the lease value shall be based on a whole of life lease over a minimum of two years/40,000 kilometres. The lease value and term will be determined at the time of ordering the motor vehicle and will be inclusive of the cost of accessories. No additional costs shall be incurred by the office holder as a result of fluctuations in lease costs during the specified term of the lease.

3.6 The notional lease value must include the lease cost, Fringe Benefits Tax (FBT) and all other operating costs based on the relevant figure of nominated kilometres to be travelled annually. The formula to be adopted in valuing the motor vehicle is:

$$L + R + aD + \text{FBT} + I + \text{LCT}, \text{ where}$$

L	=	Lease payments
R	=	Registration costs
a	=	Running cost per kilometre
D	=	nominated annual kilometres
FBT	=	Fringe Benefits Tax
I	=	Insurance
LCT	=	Luxury car tax

3.7 FBT is costed at applicable Australian Taxation Office rates. FBT is costed at purchase price (including GST) x Statutory fraction x Gross up (2.1463) x FBT rate (0.490).

3.8 Fringe Benefits Tax Exempt Agencies: Where an organisation is exempt from FBT in accordance with Commonwealth Government legislation, a notional amount equal to the standard FBT must be added to the cost of the benefit.

3.9 Motor vehicles leased for judicial office holders shall not be changed prior to the expiration of the lease unless it is for operational reasons approved by the relevant Chief Judicial Officer in consultation with the Department of the Attorney General.

3.10 The Chief Justice is entitled to the provision of a vehicle to the notional value of \$27,300 per annum.

- 3.11 Judges, Masters and the Chief Magistrate are entitled to the provision of a vehicle to the notional value of \$26,900 per annum.
- 3.12 Magistrates are entitled to the provision of a vehicle to the notional value of \$25,400 per annum.
- 3.13 Judges, Masters, and Magistrates may choose any vehicle and accessories in the Common Use Contract or an "off contract" vehicle and accessories available under Government leasing arrangements, the total cost of which does not exceed the maximum cost of accessing a motor vehicle benefit determined in this report. Where the total cost of the chosen vehicle and accessories exceeds the maximum cost of accessing a motor vehicle benefit determined in this report, the additional cost must be borne by the individual. This includes the purchase cost of any accessories and the installation cost and removal costs if required before disposal of the vehicle.
- 3.14 In order to contain additional administrative costs associated with "off contract" leases, office holders may request cost quotations for not more than three vehicles outside the Government's Common User Contract for motor vehicles, in the process of selecting a vehicle under this arrangement.
- 3.15 Vehicles with V8 engines are not included. Turbo charged and super charged engines with a capacity greater than 3.0 litres are not included.
- 3.16 Each actual lease should be tailored to achieve the most cost-effective arrangement based on individual usage patterns.
- 3.17 Where the use of an off road vehicle is substantiated by operational need, this must be approved by the Chief Judicial Officer. Off road vehicles shall be of a standard, the cost of which does not exceed the whole of life notional lease value of the Toyota Prado GXL Auto 3.0 litre Turbo Diesel fitted with "roo" bar (air bag compliant) or the relevant notional value listed in Parts 3.10 to 3.12, whichever is higher. This includes the purchase cost of other essential accessories approved by the relevant Chief Judicial Officer.
- 3.18 For the Magistrate resident in Kununurra, use of the Government provided vehicle is permitted to and from the Northern Territory for periods of usage up to seven days under the same conditions as if the vehicle were in Western Australia. Under the State Fleet – Agency General Agreement, office holders are required to seek approval from State Fleet for travel outside Western Australia for periods of seven days or more.
- 3.19 Where a Magistrate is employed on a part time basis, a pro rata amount should be added to the remuneration in lieu of a motor vehicle. For that purpose, the full value of the vehicle is assessed at \$24,000 per annum.
- 3.20 Where an acting magistrate is employed for less than two years, a pro rata amount should be added to the remuneration in lieu of a motor vehicle. For this purpose, the full value of the vehicle is assessed at \$24,000 per annum.

The report will now issue.
