1. The Salaries and Allowances Tribunal (“Tribunal”) issues this Determination pursuant to section 6(1)(e) of the *Salaries and Allowances Act 1975* (“the Act”).
2. Section 8 of the Act requires the Tribunal, at intervals of not more than 12 months, to inquire into and determine the remuneration to be paid to a person holding any office prescribed for the purposes of that section.
3. The offices of the members of the Western Australian Industrial Relations Commission (WAIRC), are so prescribed in section 20 of the *Industrial Relations Act 1979* for the purposes of section 6(1)(e) of the Act.
4. The Tribunal’s previous determination in relation to the WAIRC was issued on 23 June 2016.
5. By issuing this Determination, the Tribunal discharges its statutory obligations under section 8 of the Act, with respect to offices of the members of the Western Australian Industrial Relations Commission.
6. In accordance with section 10A of the Act, this determination considered the:

  - financial position and fiscal strategy of the State, as stated in the Government’s Financial Strategy Statement and Government Financial Projections Statement, released as part of the State Budget on 12 May 2016.
7. The Tribunal also considered the jurisdiction and role of the Western Australian Industrial Relations Commission within the State’s judicial system.
8. While the Tribunal has acknowledged the challenging economic situation facing the State, the Tribunal has determined that an economic adjustment is appropriate for Industrial Relations Commissioners.
9. The Tribunal has determined a 1.8 per cent increase to the remuneration of Commissioners in line with adjustments to other judicial and quasi-judicial offices in this State.

## **PART 2: SALARY**

*This part deals with the salary payable to a Chief Commissioner, Senior Commissioner or Commissioner for the performance of their duties pursuant to their appointments under the Industrial Relations Act 1979.*

### **2.1 General**

The amount of a person's entitlement to an annual salary shall be calculated on a pro rata basis in accordance with the proportion of full-time hours worked by an office holder.

### **2.2 Offices and salaries**

- (1) The annual salaries specified in Table 1 of this Part apply to a Chief Commissioner, Senior Commissioner and Commissioner.
- (2) The annual salaries specified are inclusive of leave loading entitlements.

**Table 1: Annual salaries payable to a Chief Commissioner, Senior Commissioner and Commissioner**

<b>OFFICE</b>	<b>ANNUAL SALARY</b>
<b>Chief Commissioner</b>	\$348,295
<b>Senior Commissioner</b>	\$325,431
<b>Commissioner</b>	\$308,393

### **PART 3: MOTOR VEHICLE BENEFITS**

*This Part deals with the motor vehicle benefits paid or provided to a Chief Commissioner, Senior Commissioner or Commissioner.*

#### **3.1 General**

- (1) In addition to the salary determined for the holders of offices listed in Part 2 of this Determination, those office holders are entitled to an allowance which may be taken as cash with salary or may be utilised to access a motor vehicle for private use leased through State Fleet.
- (2) The motor vehicle (being part of the Government-owned State Fleet) should be managed in accordance with the policies and conditions established and amended from time to time by the Department of Finance (the effective owner of the State Fleet). Applicable terms and conditions are currently set out in the Department of Finance's document, *State Fleet – Agency General Agreement*, which took effect on 1 March 2013.
- (4) An individual accessing a vehicle under this Part shall take due care of the condition and security of the vehicle. This includes responsibility for regular servicing and maintenance at government expense according to the manufacturer's recommended specifications, and making arrangements for off-street parking at home, whenever practicable, with appropriate security precautions at all times. Theft or damage should be reported to the Fleet Manager.
- (5) Motor vehicles leased for office holders under this determination or a previous determination of the Tribunal shall not be changed or cash in lieu taken prior to the expiration of the lease.
- (6) While the vehicle may be used anywhere in Western Australia at no cost to the individual, the individual is liable for the cost of fuel and oil incurred when driving interstate. Furthermore, if used outside of Western Australia, the custodian must be in the vehicle at all times that it is being used.
- (7) Should the officer choose not to use the vehicle supplied through State Fleet for business, or for travelling to and from work, but allows and authorises the vehicle to be used for private use during business hours by another family member or person, they are not entitled to access another government vehicle for private use, including transport to and from work.

- (8) Should the officer choose to take cash in lieu of a motor vehicle supplied through State Fleet, it is not the Tribunal’s intent that this should result in additional government expense or an increase in the government fleet to provide transport for the office holder during business hours. Office holders are not entitled to claim mileage allowance for use of private vehicles for work purposes. Neither are they entitled to access another government vehicle for their personal use including transport to and from work.

**3.2 Notional value of the lease and the cost to the Office Holder**

- (1) The notional value of the lease (and all associated costs) shall be:

**Table 2: Notional value of motor vehicle lease**

<b>OFFICE</b>	<b>NOTIONAL VALUE OF THE LEASE</b>
<b>Chief Commissioner</b>	\$26,900 p.a.
<b>Senior Commissioner</b>	\$25,400 p.a.
<b>Commissioner</b>	\$25,400 p.a.

- (2) The notional value of the lease shall be calculated on a pro rata basis in accordance with the proportion of full-time hours worked by an office holder.
- (3) The total lease cost of the chosen vehicle and accessories determined in this section must be borne by the office holder. This includes the purchase cost of any accessories, including installation and removal costs if required, before disposal of the vehicle. No additional costs shall be incurred by the office holder as a result of fluctuations in lease costs during the specified term of the lease.
- (4) Where the total lease and associated costs of a vehicle and accessories in accordance with this determination is less than the relevant motor vehicle benefit determined in this section, the difference in the cost to Government is to be paid fortnightly as part of the office holder’s remuneration.
- (5) The method of determining whether an additional contribution must be made by the office holder or the surplus is to be paid to the office holder, shall be based on the notional lease cost to the Government of the vehicle sought (using the formula detailed below), compared with the relevant notional lease value determined for the benefit in this section. The cost at the time of entering into the lease is applicable.

- (6) The notional value of the vehicle benefit must include lease cost, Fringe Benefits Tax (FBT) and all other operating costs based on the relevant figure of nominated kilometres to be travelled annually. The formula to be adopted in valuing the motor vehicle is:

Value of Motor Vehicle = L + R + aD + FBT + I + LCT, where

L	=	Lease payments
R	=	Registration costs
a	=	Running cost per kilometre
D	=	nominated annual kilometres
FBT	=	Fringe Benefits Tax
I	=	Insurance
LCT	=	Luxury Car Tax

- (7) FBT is costed at applicable Australian Taxation Office rates: purchase price (including GST) x Statutory fraction x Gross up (2.1463) x FBT rate (0.490).
- (8) Each lease should be tailored to achieve the most cost-effective arrangement based on individual usage.

### **3.3 Choice of Motor Vehicle**

- (1) Where office holders elect to access a leased vehicle under State Fleet arrangements, they may choose any vehicle and accessories in the relevant Western Australian Government Common Use Contract or an “off contract” vehicle and accessories available under Government leasing arrangements in accordance with the following criteria.
- (2) Vehicles with V8 engines are not included. Supercharged and turbo-charged engines with a capacity greater than 3.0 litres are not included.
- (3) Office holders unable to lease their choice of vehicle within the scope of the arrangements set out in this determination should elect to make their own arrangements to meet their personal transport needs.

### **3.4 Cash Value of the Motor Vehicle Allowance**

- (1) Where officeholders elect to not be provided with a motor vehicle through State Fleet they are entitled to the cash value being paid fortnightly as additional remuneration. The relevant cash value is as specified in Table 3.

**Table 3: Cash Value of a Motor Vehicle**

<b>OFFICE</b>	<b>NOTIONAL VALUE OF THE LEASE</b>
<b>Chief Commissioner</b>	\$26,900 p.a.
<b>Senior Commissioner</b>	\$25,400 p.a.
<b>Commissioner</b>	\$25,400 p.a.

- (2) The cash value of the motor vehicle allowance shall be calculated on a pro rata basis in accordance with the proportion of full-time hours worked by an office holder.
- (3) A Gold State member electing to take a motor vehicle or the cash equivalent in lieu of a motor vehicle is not entitled to have either amount included for superannuation purposes.
- (4) A West State or GESB Super member electing to take a vehicle does not have the cash value of that vehicle included for superannuation. However if the office holder elects to take a cash equivalent in lieu of a motor vehicle then this amount is included for the purposes of superannuation.

## **PART 4: TRAVELLING AND ACCOMMODATION ALLOWANCE**

*This Part deals with the travelling and accommodation allowance to be paid or reimbursed to a Chief Commissioner, Senior Commissioner and Commissioner.*

### **4.1 General**

- (1) A Chief Commissioner, Senior Commissioner and Commissioner shall be entitled to claim a travelling and accommodation allowance or reimbursement as specified in this Part while travelling on official business.
- (2) Claims for overnight stays in the Perth metropolitan area shall be subject in each case to the approval of the Chief Commissioner.

### **4.2 Allowance or reimbursement payable**

- (1) Where an overnight stay away from home is involved, a travelling and accommodation allowance (inclusive of accommodation, meals and incidentals) shall be payable in accordance with the Australian Taxation Office's reasonable benefit limit rates for the relevant financial year as specified in the ATO's Taxation Determination and where accompanied by certification that the expense was appropriately incurred.
- (2) If the reasonably and properly incurred travelling and accommodation expenses exceed the abovementioned specified rates, the actual costs should be reimbursed. Receipts or vouchers must be provided in support of any claim for reimbursement in excess of the specified rate.
- (3) Part payment of travelling and accommodation allowances shall apply in the following circumstances.
  - a) Where the Chief Commissioner, Senior Commissioner or Commissioner is accommodated in private, non-commercial accommodation, such as the home of a family member or friend, a rate of one third of the specified rate shall be payable.
  - b) Where the cost of commercial accommodation is met by an entity other than the Chief Commissioner, Senior Commissioner or Commissioner, an allowance shall be payable in accordance with the Australian Taxation Office's reasonable benefit limit rates for the relevant financial year as specified in the ATO's Taxation Determination for meals and incidentals where accompanied by certification that the expense was appropriately incurred.

- c) Where in the case of commercial accommodation referred to in sub section (b) above, the cost of a meal or meals is met by an entity other than the Chief Commissioner, Senior Commissioner or Commissioner, the amount of travelling allowance shall be reduced by the relevant amount or amounts referred to in the preceding paragraph.
